Masks Not Body Bags

CHICAGO- IL State Representative La Shawn K. Ford (D-CH) is calling on Governor Pritzker to issue an executive order for Medicaid to cover N-95 Masks. The CDC recommends that people wear cloth face coverings when they are in public to prevent the spread of coronavirus.

"Senior Citizens that can't afford to purchase a protective mask must be provided a free N-95 mask.," said Ford. "Illinois must do everything we can to make sure that 12 million masks are available for everyone in this state including essential workers, people in jails and prisons. The social distancing and stay at home order is the right approach, but people will have to leave for essential purposes and Illinois must have masks available for their protection."
