Description

The Levy family culture has nurtured our incredible growth from a single delicatessen in Chicago, to an industry-leading, food organization over 30 years later.

Today, we create great dining experiences at restaurants throughout the country and many of the highest profile sporting and entertainment venues in the world. We're proud that thousands of guests have savored our food at some of the most celebrated gatherings in our nation: the Super Bowl, NBA and NHL All-Star Games and the Grammy Awards.

Always accepting applications for Warehouse Staff opportunities

No one else in this business thinks quite like we do. By seamlessly blending our sense of family, genuine passion and unique mindset as restaurateurs, we continue to set ourselves apart for our guests and from our competitors, and create an amazing home for all of our hardworking, fun-spirited team members countrywide.

The reason we have so many amazing people is best summed up by founder Larry Levy, "If you find a job you enjoy, you'll never work another day in your life."
