Evaluator

Location: Chicago, IL

The Evaluator will work on evaluation and science education research projects for the entire Museum. This includes, but is not limited to, guest experiences, teacher professional development, community-based science education, youth development, student programs, online initiatives and exhibition projects. The Evaluator will work on a collaborative team with other evaluators, volunteers, interns and consultants. This position reports to the Manager of Evaluation and Research. In summary, this position is expected to support and lead projects studying the impact of Museum programming and services on our audience.

Education and Experience: Bachelor's degree in science education, learning sciences, educational psychology or similar field, or a bachelor's degree plus at least one year of full-time experience in an evaluation or research role. Proven experience seeing a research project through completion.

Language Skills: Ability to read, analyze, and interpret the most complex documents. Ability to respond effectively to the most sensitive inquiries or complaints. Ability to write speeches, reports and articles of original thought and conveyed in a professional manner. Ability to investigate research literature and synthesize it into coherent reviews.

Mathematical Skills: Ability to apply basic social science statistical concepts and interpret statistical results.

Reasoning Ability: Ability to define problems, collect data, establish facts, and draw valid conclusions. Ability to interpret an extensive variety of technical instructions in mathematical or diagram form and deal with several abstract and concrete variables.

Initiative: Ability to identify opportunities and challenges and address them independently.

Computer Skills: Fluency in productivity software (Microsoft Office, et al.).

Preferred Skills and Qualifications:

Theoretical background in science education, learning sciences, educational psychology, or similar field. Research or evaluation project management experience and skills.

Experience working with populations that are diverse in ethnic background, cultural heritage, language, gender identity and socio-economic status.

Expertise with social science data analysis packages such as SPSS, R, and Atlas.ti.

Experience authoring scholarly publications.

Experience conducting cognitive interviews with children.

Financial Systems Manager

Location: Chicago, IL

This individual manages the Museum's financial system applications, including the maintenance, evaluation, modification and in-house support of existing MSI financial systems.

Qualifications:

Bachelor's degree in Accounting from four-year college or university, 7+ years of experience, preferable in a not-for-profit setting; coursework in relevant IT areas. Ability to read, analyze, and interpret common scientific and technical journals, financial reports and legal documents.

Ability to respond to common inquiries or complaints from customers, regulatory agencies or members of the business community.

Ability to write speeches and articles for publication that conform to prescribed style and format. Ability to effectively present information to top management, public groups and/or boards of directors. Ability to apply advanced mathematical concepts such as exponents, logarithms, quadratic equations and permutations.

Ability to apply mathematical operations to such tasks as frequency distribution, determination of test reliability and validity, analysis of variance, correlation techniques, sampling theory and factor analysis.

Experience in financial system software, with Microsoft Dynamics GP and related modules preferred. Minimum of 3 years of experience as Business Analyst.

Proficiency with Microsoft Excel (advanced functionality), Microsoft Word and Sharepoint. Experience with development software (preferably Raiser's Edge), retail point of sales software, and credit card processing software is a plus.

Mid-level or above hands-on experience of MS/SQL query writing and report services preferred.

Knowledge of best practices in software test plan development and execution.

Ability to direct/work with other MSI department personnel to achieve desired outcomes, including creating dynamic dashboards, reports and interfaces with other applications. Ability to prioritize multiple tasks and change priorities as needed.

Excellent analytical skills and judgment, as well as attention to detail.

Good written and verbal communication skills.

Ability to assess/analyze financial issues quickly and accurately.

Understanding of generally accepted accounting principles within a financial system.

Experience in documenting processes and procedures.

The Museum of Science and Industry is an AA/EOE/ADA employer.

U-Box Customer Care Representative

U-Haul Moving Centers
U-Haul Moving & Storage of Logan Square
4100 W Fullerton Ave
CHICAGO , IL

Description:

Under the direction of the U Box Storage Facility Manager, operate an 8000 pound propane forklift, a truck mounted forklift and a straight truck to load and transport cargo to and from specified destinations. Prepare, receive and provide appropriate documentation for the delivery or pick up of goods. Load, secure, and unload cargo. Ensure warehouse storage facility is clean, dry and secure at all times. Perform "Customer Ready" inspections of UBox containers prior to dispatch. Verify that the container, and any other equipment rented, is returned in the same condition as when rented. Use on-line computerized dispatch and rental systems. Ensure timely delivery; provide customer assistance to include the sale of support items. Maintain radio or telephone contact with dispatcher to receive delivery or pick up instructions. Load storage containers onto truck bed for delivery to storage facility. Use a truck mounted forklift to remove containers from vehicle, and position in the designated storage location. Maintain accurate location information in the system to aid in retrieval of the stored items.

Requirements:

Must possess a Class A Commercial Driver License (CDL) or higher, a clean driving record and be able to pass a criminal background investigation. Meet all Department of Transportation (DOT) and U-Haul physical examination requirements.

Work Status: Full-Time or Moonlighter/Part-Time
