State of the State Political

CHICAGO, IL – Illinois State Representative La Shawn K. Ford (D-Chicago) comments before Governor Bruce Rauner's State of the State address today.

"Illinois' government is too political to get big things done. We must put politics aside and get big things done for the people of Illinois. The state population is declining, and people are dying," said Ford.

"I am ready to work with Governor Rauner and the General Assembly to deal with our deteriorating roads and bridges, the black unemployment rate, the heroin/opioid crisis, and treatment of ex-offenders in the eighth district and all over the state of Illinois."
