The City of Chicago, World Business Chicago and Accion Serving Illinois and Indiana have launched the Chicago Hospitality Grant Program to disburse relief funds to independent bars and restaurants across the city.

# HOSPITALITY GRANT PROGRAM

- The Chicago Hospitality Grant Program was established to provide \$10,000 emergency relief grants to restaurants and bars, with revenues of \$3M or less, throughout Chicago, that have been adversely impacted by the Governor's recent closures due to the COVID-19 crisis.
- Grants will be distributed via lottery to recipients in equitable and inclusive ways to ensure it reaches businesses in low- and moderate- income communities.
