

CLEAN COMMUNITY

About Us

Clean Community Non for Profit was established in 2017, by ComEd Construct graduate; Martel Richardson. Clean Community strives to serve low income communities, by promoting all things "clean". Our purpose is to be resourceful while encouraging healthy living, safe communities and environments.

We offer many services including:

- Solar Tech Training
- Solar Design Training
- Electrical Training
- Mentoring
- Law Classes

Join us for our Grand Opening!

Saturday, February 13, 2021
