

NEW CHECK-CASHING RATES

EFFECTIVE JULY 1, 2018, AT ILLINOIS CURRENCY EXCHANGES

The cost to cash a check is now determined by check type in addition to check amount.

- If you're cashing a **payroll** check for \$1000 or less, you may see a small **increase** of less than \$1.
- If you're cashing a **personal** check, which is a check handwritten to you by another person, for \$1000 or less, you may see a larger **increase** from \$1 to \$7.50.
- If you're cashing a **public assistance** check for \$500 or more, you should see a **decrease** of more than \$3. The new rate is capped at 1.50% of the amount of the check.
