Administrative Assistant

Department: Facilities

Status: Full Time

Responsibilities

The primary purpose is to provide high-level exemplary administrative office support to the Facilities and Operations Department, especially the Director and Deputy Director of the Department. This includes but is not limited to manage and maintain executive's schedules, appointments and travel arrangements.

Provide office services by implementing administrative systems policies and procedures and monitoring administrative projects. Provide high-level administrative support by conducting research, preparing and statistical reports.

Handle information requests, and performing clerical functions such as preparing correspondence, receiving visitors, arranging conference calls, and scheduling meetings. Manage the daily work order system and end-user two-way Museum Radio Communication system.

Provide purchasing support for the Managers of Facilities and track expenses and paid invoices within the three department budgets.

Qualifications

Associates' degree (A.A) or equivalent from a two-year college or technical school; or six months to one year of related experience and/or training; or equivalent combination of education and experience.

Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations.

Ability to write reports, business correspondence, and procedure manuals.

Ability to effectively present information and respond to questions from groups of managers, clients, customers, and the general public.

Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists.

Ability to interpret a variety of instructions furnished in written, oral, diagram, or schedule form. Excellent oral and written communication skills.

Ability to handle multiple tasks simultaneously.

Ability to work both independently and as a member of a team.

An interest in science or museum education and programming a plus.
