Quality Control Lab Technician-1414072

Shift and Schedule

This is a full time permanent position. This position will act as a floater and must be able to work either the 1st or 2nd shift based on business needs. The 1st shift works from 4:30am until 3:00pm and the 2nd shift works from 3:00pm until 1:30am. Flexibility to work overtime and weekends is required as business needs dictate.

Position Responsibilities

Perform audits of all quality functions on all four production lines and all indirect quality functions. Direct production machine operators for proper quality inspection procedures and testing of all other quality/food safety related functions. Submit samples for microbiological testing, maintain test results, and calculate batch adjustments for certain products. Conduct organoleptic and analytical tests at various stages of compounding and packaging to ensure compliance with standards. May include the use of pH meters, HPLC and other instrumentation. Approve batches for packaging and conforming finished product for shipment and place non-conforming material and finished product on hold for further analysis. Provide technical support/guidance to production floor level for problem solving for out of specification packaging, raw materials and process deviations. Calibrate, clean, and maintain laboratory equipment and instrumentation. Prepare reagents and solutions for use in testing. Observe conditions and practices in compounding, packaging, and finished goods storage areas, making recommendations for improvement. Follow-up on corrective actions.

Qualifications: High school diploma or general equivalency diploma (GED)
6 months of related Quality Control experience in a manufacturing environment

Dr Pepper Snapple Group is an equal opportunity employer and affirmatively seeks diversity in its workforce. Dr Pepper Snapple Group recruits qualified applicants and advances in employment its employees without regard to race, color, religion, gender, sexual orientation, gender identity, gender expression, age, disability, genetic information, ethnic or national origin, marital status, veteran status, or any other status protected by law.
