

KERRY

Virtual Hiring Event

Tuesday, February 9th &
Wednesday, February 10th

A career with Kerry Taste & Nutrition offers you an opportunity to shape how people across the globe view food and beverage while providing you opportunities to explore and grow as your interests do. With our commitment to a sustainable future, a career with Kerry is something you can feel good about.

Our Owen, WI facility creates dairy and culinary products for Kerry and our retail customers. We have multiple departments with excellent growth potential across the site! Are you looking to build a career in manufacturing with a team you can have some fun with? With our engagement program, volunteer days and energetic culture, we might be the team for you!

We are looking to fill the following positions:

Production Operators
