CONSTRUCT INFRASTRUCTURE ACADEMY

**LIFE CHANGING, SUSTAINABLE ENTRY-LEVEL
JOBS IN THE CONSTRUCTION FIELD!**

CONSTRUCT is an 11-week training program offering the information and guidance needed to compete for good-paying, entry-level jobs in construction-related fields.

This program strengthens job readiness and life skills, and prepares candidates for industry-required testing that is often a prerequisite for employment. The program also includes job shadowing to give candidates an up-close look at the various career paths available.

Program Begins:
February 2021

Information Sessions:
To be announced
