

# REQUEST A FREE TREE

Call 311 or visit <https://311.chicago.gov/>

Trees can be planted on the City-owned parkway in front of your property or the front yard facing the street.

Benefits of the Street Tree Planting Program include:

- Improved Air Quality
- Reduction of Emissions
- Reduction of Smog
- Reduction of Green House Gasses
- Reduction of the "Heat Island" Effect
- Increased Property Values
- Storm Water Attenuation
