Second Chance Program

CTA's Second Chance program is a nationally recognized program that provides valuable job skills and career opportunities to Chicago residents who often face challenges re-entering the workforce.

The Second Chance program takes a holistic approach to preparing individuals to be self-sufficient. It not only provides jobs to nonviolent ex-offenders, victims of abuse and others who face barriers to employment, but also offers a wide range of training, education, mentoring and networking.

Since 2011, the program has doubled in size to become one of the largest re-entry programs in the country. So far, more than 870 Chicagoans have participated—gaining experience they might not have received elsewhere. More than 260 Second Chance participants have been hired permanently by CTA, with dozens of others moving on to private-sector jobs.

The program has helped hundreds of people turn their lives around, and provide for their families.

How to apply

Job seekers need to actively participate in one of the 19 designated agencies' work readiness programs. The CTA Second Chance program is in regular communication with the agencies listed below. The agencies' top participants are referred to CTA for the bus, rail car and facility servicer Second Chance positions.
