Ford Issues Statement on Budget

CHICAGO – State Representative La Shawn K. Ford, D-Chicago, has issued a statement on the state of Illinois budget: “I would like to call for a short-term budget to avert a state government shut-down. A short-term budget will prevent cuts to much-needed programs and services in Illinois. A short-term funded budget will allow a bipartisan legislature to decide to put people over politics in Illinois. A short-term funded budget will allow the continuation of negotiations of Governor Rauner's agenda. I urge my colleagues from both sides of the aisle to work together for the common good and pass a short-term budget, if we can't find common ground on a budget for the full year- this would be the responsible action for Illinois.”
