Ford Joins Illinois Legislative Black Caucus To Rally Against Proposed Program and Service Cuts

CHICAGO - The Illinois Legislative Black Caucus recognizes that Illinois has a revenue problem, and without new revenue, the proposed budget cuts will be a direct attack on almost every family in Illinois. This Thursday, June 25th, State Rep. La Shawn K. Ford, D-Chicago, will join the Illinois Legislative Black Caucus in a series of rallies to fight for programs and services valued by the communities served by members of the caucus. Several organizations that serve communities which would suffer the most will discuss how the lack of support would increase crime, lower students' opportunities to be qualified for good jobs, and would leave people without heat during Chicago's coldest months.

The ILBC is hosting three rallies throughout the Chicagoland area to ensure residents can participate.

Below are details about the rallies:
