

# West Side State of Emergency Commitment

I \_\_\_\_\_ will continue to fight for the safety and prosperity of the families on the West Side of Chicago.

With a \$45 Billion Capital Construction Plan, \$40 Billion State Spending Plan and a Black Unemployment Rate of 21%, **The West Side Deserves Resources, Development, Jobs and Safe & Healthy Communities.**

It's a fact that people on the West Side of Chicago have life expectancies of 20 years shorter than those living in downtown Chicago. The West Side of Chicago is in a life and death state of emergency.

I join the people of the West of Chicago to demand **Economic Development, High Quality Schools, Safer Communities, Health Communities, Construction Training/Jobs, and Respect.**

I am committed to starting a phone chain for change to the Governor of Illinois and the Mayor of Chicago to empower the West Side of Chicago.

**Demand Change Now**

Governor JB Pritzker: 207 State House, Springfield, IL 62706,  
Phone: 217-782-6830 or 217-782-6831, TTY: 888-261-3336

Mayor Lori Lightfoot: 121 N. LaSalle, Chicago, Illinois 60602, 312-744-3300
