Ford and Gardner Kick Off WVON Radio Show “Chicago Heal”

Show to Address Violence in Chicago

CHICAGO – State Representative La Shawn K. Ford will return to WVON 1690 AM for an hour-long radio talk show to address the mental health of Chicago. Co-host Meleika Gardner will join Ford for the radio talk show titled 'Chicago Heal'.

The hour-long talk radio show will be a campaign to push mental health healing for communities and families in Chicago. The show will bring mental health experts together to help communities and families in Chicago heal from past and ongoing trauma of violence in Chicago.

“As violence continues to grow in the city, babies are being killed, people are being car-jacked, businesses are being run out of the town, and no matter where you live, you are at risk of Chicago's violence. We cannot leave any stone unturned to stop the killing and violence in Chicago,” said Ford.
