

# DESIGN YOUR VOTE

Visualize How Voting Can Change Your World

Art, like voting, is a powerful tool to share your voice, so utilize this power to show what matters to you.

Create a 6" x 6" piece of 2-dimensional art, representing how voting changes your world.

Once all the artwork is collected, we will make an image-based mosaic to promote voter registration and vote-by-mail.

Open to people of all ages across the state of IL.
